Sounds like a group with a noble purpose.

Come on!
What?

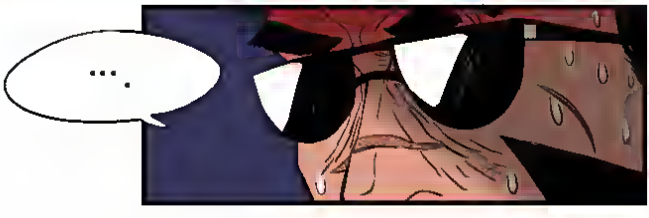
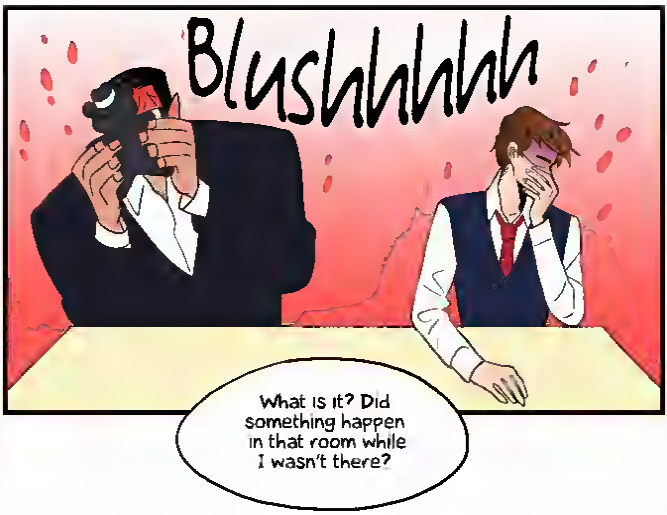
Well you're also a member, so of course we have to hear your opinion.

....



....



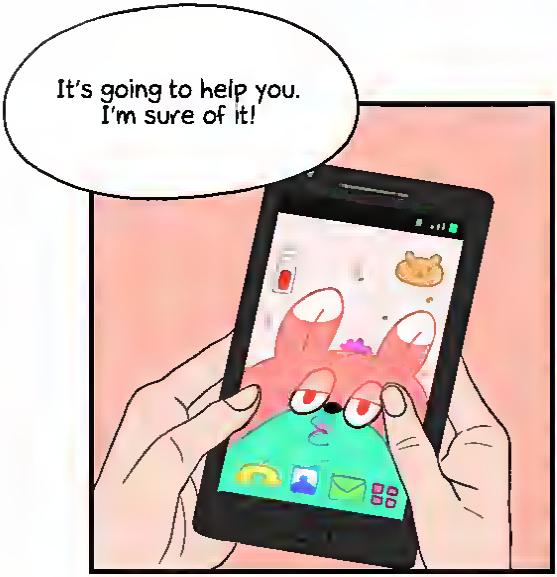
Blushhhhhh
What is it? Did something happen in that room while I wasn't there?

....
OK? That means you're fine with it right?

Lend me your phone for a sec mister.
W-what? Why so suddenly..

If you don't give me your phone, I'll be taking back all the dolls
T-TAKE IT!!

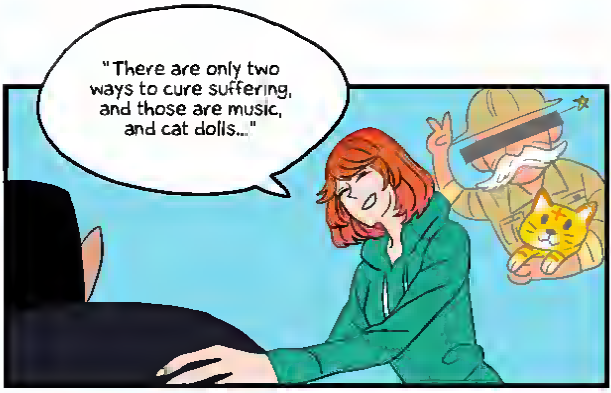
Just think about it. Instead of suffering alone, isn't it much better if you share your troubles?
Grumble



It's going to help you. I'm sure of it!

Look at me mister Don't you like my proposal?
I-I don't think I-I'll fit in with this group...

Mister, whether or not you'll fit in isn't the problem. You're suffering right now...
Miss Aram...
After all, you know what they say about curing suffering...



"There are only two ways to cure suffering, and those are music, and cat dolls..."

"The best way to alleviate pain is cuteness..."
Ah...
That's completely wrong...
"Cuteness brightens our lives and reduces hardship so that we can live happily.."
"Accept cute things into your life!" How great is that saying?

Let's enjoy cute things together mister
